Annual Maintenance

We will be providing with our annual maintenance service to ensure that the website keeps running flawlessly on the internet. Our website maintenance service will include the followings:

- Minor changes in website such as adding/editing/deleting the text and/or pictures.
- Updating minor contents
- Fixing bugs and ensuring the proper functioning of the web application

However, the services mentioned below will not be part of annual maintenance service contract.

- Complete or partial redesign of existing website.
- Incorporation of any additional dynamic modules.

Timeline

Website Design and Development: **20 (Twenty) working days after signing the contract.** However, product will be delivered for testing after 14 days from the contract date. Final product will be handed within 20 days.

Price Details

1. Website design and development (One time cost)

S. No.	Task Description	Amount (in NPR)
1	Website Design and Development	18,000.00
Total		18,000.00
In words: NPR. Eighteen Thousand only.		

2. Annual maintenance service (Charge per year, if needed)

S. No.	Task Description	Amount (in NPR)
1	Annual maintenance service (upto 15 hours service per year)	12,000.00
Total		12,000.00
In words: NPR. Twelve Thousand only.		

**Client may opt for on demand support and workload hours would be billable at an hourly rate of NPR 1,500.00; if annual maintenance service is not needed.*

3. Domain name registration and Hosting (Charge per year, if needed)

Domain name registration cost depends upon the type of domain name purchased by the client and should have to renew every year and the price is subject to change annually. Hosting cost price might also change annually.

Domain name registration and hosting cost will be billed separately and is **NOT** included on the design and development cost.

Notes

- *The quotation is valid for the period of 7 **(Seven)** days from the date of issuance.*
- *The client should provide all the necessary contents/materials (soft/hard copies) for development of website.*
- *Management of data will be the responsibility of the client itself.*
- *The annual maintenance service charge is for providing up to 15 (Fifteen) hours of support per year. If the support activity exceeds above 15 (Fifteen) hours per year, the additional workload hours would be billable at an hourly rate of NPR 1,500.00. However, **3 months of free support will be provided from the date of final delivery of the product.***

Mode of Payment

- *50% of website design and development cost will be collected in advance after signing of agreement.*
- *Remaining total amount of development cost (includes domain name registration, hosting and annual maintenance cost) will be collected after completion of project.*
